Hon-ey I must be leav-ing, Hon-ey my heart is griev-ing, I hate to
 Id like to take you with me, Id like to have you near me, Cud-dled right

say good - bye; You've been so good to me, like no oth - er
 by my side; With a girl so kind as you, with a girl so

Absolutely the most original song of its kind ever written.

This number at the present time is being sold extensively throughout the world and we have failed thus far to find any lover of Ragtime to whom the harmonious melody of this song did not appeal.

Believe us—
IT'S SOME RIOT.
